

Lumen House Apartments Rent Scholarships

- Lumen House supports the ministry of St. Paul University Catholic Center by offering rent scholarships to those active at St. Paul's.
- Rent scholarships (reduction) of \$100 per month per tenant are available to those active at St. Paul University Catholic Center, on the recommendation of Fr. Eric Nielsen.
- Scholarships will be for the term of the lease.
- Students applying for scholarships are especially encouraged to give service to fellow residents, other students at the University and the general public through opportunities offered at St. Paul's. Students not already doing so are asked to take part in some activity of service during the first two months of the lease period. Opportunities for service are listed on the Application Form.
- Scholarships will require approval by Fr. Eric Nielsen.
